Security, Ticket Sales, Booking Agent, Ushers, Sound, Electrician, Additional Electrical Supply, Additional Spot Lighting, Additional Stage Lighting. Please make your own arrangements for these services. A list of service providers can be supplied if required.

ELECTRICAL REGULATIONS

The Hirer’s attention is drawn to the following legal requirements of the Electrical Regulations covering outdoor venues:

Should the Hirer’s ‘Electrical Load’ requirements exceed the capacity of the ‘Residual Current Device Protected 3 Phase 5 Pin Sockets’ then a power supply of ‘3 Phase 150 Amp’ may be drawn from a fuse/switch provided.

The Hirer’s electrician when taking a power connection from the fuse/switch is responsible for arranging his own Electrical Permit and assumes full legal responsibility at all times for the temporary electrical installation whilst it is connected to a power supply.

The Council shall NOT accept any responsibility or claims for compensation of loss due to power failure at the venue for whatever reason. The Hirer and his electrician are totally responsible for all electrical safety of performers, staff and the public.
