

What do you tell someone you didn't see at New Year's Eve?

I haven't seen you for a year!

Pearl: When the clock struck 12 last night, I said to myself, "Pearl, everything is coming your way!"
Earl: That's a great way to start the New Year! What did you do after that?
Pearl: I quickly pulled into the correct lane!

We will be celebrating Matariki soon

Explore Matariki at the South Canterbury Museum Tuesday 31 May 2011 at 3.30pm

Matariki is the Māori New Year so come and make a calendar with us to celebrate

What is Matariki?

Matariki is a small but distinctive star cluster whose appearance in the north eastern pre-dawn sky in late May, early June marks the start of a new phase of life. It is usually celebrated at the next new moon after Matariki has risen. This year it is on 4th June.
