

MOBILITY PARKING PERMITS

Parking Concessions in Timaru District

If a current Mobility Parking Permit or a current equivalent issued by overseas authority, is displayed on the vehicle and parking is required for the needs of the permit holder the following concessions apply:

1 Any Parking Meter (including specially dedicated “mobility” metered spaces)

You may park for double the time **paid for**, with a maximum stay of 3 hours.

Example:

- Paid for 1 hour parking - May stay for 2 hours.
- Paid for 2 hours' parking - May stay for 3 hours.

2 Time Restricted Parking - For P15 and longer only

You may park for double the time on the sign, up to a maximum stay of 3 hours. This also applies to any dedicated mobility parks where a restriction sign is also erected.

Example:

- Mobility park in P30 area - Maximum 1 hour stay.
- Mobility park in P120 area - Maximum 3 hour stay.

- NOTES (1) **Pay and Display Carparks and Pay and Park Carparks**
Dedicated mobility parks have a maximum stay of 3 hours. There is no charge for carparking in these carparks but the 3 hour time limit is to be observed.
- (2) **Sophia Street Car Park (Farmers)**
Full fees are payable, whether using normal parks or the two dedicated mobility parks.
- (3) **P5 and P10 Parks**
The time concession does not apply on these parks.
- (4) **Restricted Areas**
Use of restricted areas like bus stops, taxi stands, no stopping zones etc, is not permitted

A list of mobility parks provided by Council, as at 16 January 2008, is printed overleaf. Many other organisations provide mobility parks which are not monitored by Council. See your CCS directory for details.
