Purpose of Report

1. To present the Thomas Hobson Trust Fund applications to the Temuka Community Board to consider and make a recommendation on the funding requests to the Public Trust.

Assessment of Significance

2. The content contained in this report has been assessed as of low significance in accordance with Council's Significance and Engagement Policy. This has been determined against the assessment criteria with a specific focus on the impact on the number of people affected, the degree that people may be impacted, community interest, financing and rating impact, and impact on wellbeing.

Background

3. The Thomas Hobson Trust was established under the will of the late Thomas Hobson. Hobson died in 1907 and following his death, the Trust was established and has been providing funds to the community for over 100 years. The Trust was established with the purpose of providing

grants to organisations within the district of the former Geraldine County. With a re-designation of boundaries, the Trust now covers areas within the Temuka and Geraldine Wards.

4. Grants can be made towards projects that are both public and charitable in nature. This means that the organisation must be a not-for-profit organisation, including schools and other charities, and the project for which a grant is made must be freely available to the public at all times, without charge. Grants will not be made to organisations that only benefit a few people. In this context, sports clubs are not considered charitable organisations.
5. It is the role of the Council, in consultation with the District Public Trustee, to determine whether or not any project qualifies as being charitable and public.
6. In the main, projects should be confined to works which are of a capital nature (new works, extensions, improvements etc.) and not works which are met from normal expenditures such as maintenance and repairs to existing facilities or amenities. Organisations applying for grants for capital projects must ensure that any fundraising towards the cost of the project is well advanced before an application is made. Grants cannot be made from the Trust unless the fundraising has advanced to the stage where the project will proceed with certainty.
7. Some of the applications are applying for funding across both the Temuka and Geraldine Wards.

Discussion

8. Funding rounds occur once per annum, with the quantum of funding varying each year on review of the Trust. The 2024 funding round for the Thomas Hobson Trust has a total of \$13,000.00 allocated for distribution across eligible projects.
9. Two applications have been received and are available for consideration. These are as follows:
