TDC-45 Designation Conditions

1. Before any construction commences, an Outline Plan shall be prepared by the Requiring Authority and submitted to Timaru District Council pursuant to Section 176A of the Resource Management Act 1991. In addition to the matters required to be included by section 176A of the Resource Management Act, the Outline Plan shall include the final design details for pedestrian and cycle ways and stormwater management measures associated with all works.
2. Before any construction commences, a Traffic Management Plan shall be prepared by the Requiring Authority and submitted to Timaru District Council. The Traffic Management Plan shall include all necessary details of road construction and traffic controls associated with the physical works of the designation. The Traffic Management Plan shall be prepared in accordance with Timaru District Council's standard for temporary traffic management.
3. The Requiring Authority shall provide appropriate signage to the general public during physical site works to define the construction areas.
4. The Requiring Authority shall take all practicable steps to ensure the noise emissions comply with the provisions of NZS 6803P:1999 "The measurement and assessment of noise from construction, maintenance, and demolition work".
5. The Requiring Authority shall ensure that areas of exposed soil are established as soon as practicable to minimise the potential for soil erosion and sediment run-off.
6. The Requiring Authority shall spray water over the construction area, as and when required, to minimise dust nuisance to private property.
7. The Requiring Authority shall ensure the storage and handling of all hazardous substances is undertaken in accordance with relevant hazardous substances regulations and relevant rules in the Timaru District Plan. When stored within the construction area, all vehicles, machinery and fuel tanks shall be locked and secured.
8. In the event of an accidental discovery of archaeological matter, including human remains, the Transit New Zealand Accidental Discovery Protocol for Transit NZ Regions 11 (Canterbury) and 12 (West Coast) shall apply.²
