## Donations And Loans Policy

The Timaru District community supports expenditure on donations / events remaining within current budgeted levels. Those levels are unable to meet all the needs of all the voluntary clubs and organisations in the District. The Council will focus available funding on projects that contribute to the following community outcomes in the Long Term Plan:

- Smart diversified economic success supported and enabled
- Communities that are safe, vibrant and growing
- People enjoying a high quality of life
- A strong identity forged and promoted
- A valued, healthy and accessible environment

With that in mind the Council will concentrate its general donations funding on local events, rural community halls, museums and community services and on substantial donations or loans for improved or new facilities.
