Annual Report to the Alcohol Regulatory and Licensing Authority

For the year 2020 - 2021

Date: 11 August 2021

Prepared by: Debbie Fortuin
Environmental Compliance Manager
Timaru District Council

Introduction

The purpose of this report is to inform the Alcohol Regulatory and Licensing Authority (the Authority) of the general activity and operation of the Timaru District Licensing Committee (DLC) for the year 2020-2021

There are three DLC's operating in the South Canterbury area under a single Commissioner, this model having been adopted during the implementation of the Sale and Supply of Alcohol Act 2012 (the Act) in December of 2013. The three DLC's are that of the Timaru, Waimate and Mackenzie Districts.

This report will relate to the activities of all the DLC's in the body of the text and to the Timaru DLC alone in the Annual Return portion of the report at the rear of this document. This satisfies the requirements of the territorial authority set out in section 199 of the Act.

Overview of DLC Workload

DLC Structure and Personnel

The table below shows the current membership of the three DLC's under the Commissioner. No changes occurred during the reporting period.

	Name	Role
Commissioner	Sharyn Cain	Deputy Mayor - Waimate District Council
Timaru DLC Members	Peter Burt	Deputy Chair, Councillor - Timaru District Council
	David Jack	Independent
	Gavin Oliver	Councillor - Timaru District Council
Mackenzie DLC Members	Graham Smith	Deputy Chair, Mayor - Mackenzie District Council
	Anne Munro	Councillor – Mackenzie District Council
	Murray Cox	Councillor – Mackenzie District Council
Waimate DLC Members	Craig Rowley	Mayor - Waimate District Council
	Sheila Paul	Councillor – Waimate District Council

Total costs relating to TDC DLC activities for the period amounted to \$ 6545.42. This was made up of elected member's allowances, travel costs, administration costs and solicitors fees, relating to the DLC and included costs relating to three Hearings held.

In terms of Council staff delivering licensing services to the community and the DLC, there are 1.3 FTE licensing inspectors, a licensing administrator and the secretary to the three DLC's, who also manages the activity. The costs relating to staffing resources of this activity is \$76314.59.

Of note current staffing levels were at capacity given the number of applications processed, monitoring requirements and enforcement functions they carry out across the three districts. Some changes to staffing capacity has been made which will be reflected in the next financial year.

Hearings

There were three DLC hearings during the reporting period for Timaru DLC. Two applications were found in favour of the applicants, one was declined. One hearing decision was appealed to ARLA and the appeal was dismissed. Minutes from these hearings can be found on our website:

Local Alcohol Policy

The Timaru, Mackenzie and Waimate District Councils jointly prepared and developed a Local Alcohol Policy, which came into force on 24 March 2016.

The LAP was evaluated by the Timaru, Waimate and Mackenzie District Councils in June 2017 and found to be performing well. The policy continues to function well and remains fit for purpose.
