Stormwater Adjustments - Waitarakao RIF project and By-Products Site

Compliance supports the stormwater adjustments set out in the Seadown Drain and Stopbank Realignment – Resource Consent Application AEE and in the drawings attached.

Changes made to South Canterbury By-Products (Farm Brands New Zealand Limited) stormwater network will not result in non-compliance.

South Canterbury By-Products consent will be monitored under the same conditions as is currently into the future.

Ngā mihi

Chris Dyson
Compliance Team Leader (South)

Attachments:

- Figure 11 from AEE showing a schematic of proposed stormwater change
- Design Drawings (Kastorworks) of construction areas including stormwater change x2
