

# TIMARU DISTRICT COUNCIL

# Noticeboard

**NEXT WEEK'S BIN COLOUR**

**Timaru urban and South Zone**

**Geraldine, Temuka and North Zone**

Due to the extreme weather event the Monday 31 May North Zone Bin collection was postponed. Residential properties impacted by this disruption are to put all three bins out this Monday 7 June.

Timaru Transfer Station will be open Monday 7 June

## RATES REBATE

### Are you eligible and made your application for the 2020/2021 rating year?

If you have already been granted a rates rebate between the period August 2020 and May 2021 then please wait until you receive notification from us to make an appointment for the 2021/2022 rating year.

If you have not already applied for a rebate for the rating year 1 July 2020 to 30 June 2021 and would like to check your eligibility, please ring the council to arrange an appointment with a staff member. At the appointment the staff member will guide you through the process.

- Timaru (03) 687 7200
- Temuka (03) 687 7591
- Geraldine (03) 693 9336

Applications will be accepted up to 30 June 2021.

The purpose of the Rates Rebate Scheme is to provide a subsidy to low income home owners on the cost of their rates.

Below is the rates rebate income eligibility table for households with no dependents.

It is an estimate only.

The amount of the rate rebate depends on a combination of your income, the rates charged and

the number of dependents you have.

The maximum rebate for 2020/2021 is \$655.00.

### Please bring the following to the appointment:

Details of your income (before tax) for the year ending 31 March 2020.

Details of income for your spouse /partner and/or joint home owner who lives with you.

Detailed information on the Scheme, including an online rebate calculator, can be found on the Department of Internal Affairs website: [www.dia.govt.nz/Services-Rates-Rebate-Scheme-Index](http://www.dia.govt.nz/Services-Rates-Rebate-Scheme-Index)

### Level of rates payable for 2020/2021

Household income	\$1,200	\$1,400	\$1,600	\$1,800	\$2,000	\$2,200	\$2,400	\$2,600	\$2,800	\$3,000	\$3,200	\$3,500	Rates Rebate

## Upcoming Road Projects

**Washdyke Flat Road**

**Partial Closure – for 1 week commencing between approx 8th - 18th June**

We're installing new asphalt on Washdyke Flat Road, from State Highway 1 to Loughton Street.

The new asphalt surface will support the increase in heavy vehicle traffic caused by development of commercial businesses in the area.

Washdyke Flat Road from State Highway 1 to Loughton Street will be closed during works. A detour will be in place via Pleasant Point Highway and Loughton Street. Anticipated duration of this project is 1 week.

**Bank Street**

**Works commencing between approx 8th - 18th June**

We're completing parking layout improvements on Bank Street (outside Mitre 10) to improve safety for pedestrians and motorists.

Anticipated duration of this project is 2 weeks.

Please drive with care, we thank you for your patience.

## PLUMBSOLVENCY

### DRINKING WATER STANDARDS

Each year, as part of the Ministry of Health requirements, we are required to remind you that some plumbing fittings have the potential to dissolve and release very tiny traces of metal into the water which has been in domestic taps and pipes for several hours eg – overnight, when you've been away on holiday or at your holiday home.

Even though the health risk is small the Ministry of Health guidelines recommend that the first mug full of water each day is not drunk but, for example, is used to water plants etc as this will remove the traces of metal from the water.

We recommend this simple precaution to all households, whether you are on public or private supply.

If you would like any further information please ring the Council on 03 687 7200.
