## Further submission in support of, or in opposition to, submission on the Proposed Timaru District Plan

Clause 8 of Schedule 1, Resource Management Act 1991

---

**Further submissions close on Friday 4 August 2023 at 5pm**

**To: Timaru District Council**

This is a further submission in support of, or in opposition to, a submission on the **Proposed Timaru District Plan**.

**Full name of person making further submission:**

Winston David Currington CLARK

**Organisation name and contact** (if representing a group or organisation):

Win Clark Engineering Consultant

**Only certain persons can make a further submission. Please select the option that applies.**

**I am:**

- a person representing a relevant aspect of the public interest;
- a person who has an interest in the proposal that is greater than the interest the general public has;
- the local authority for the relevant area.

Please explain why you come within the category selected above:

I carried out the structural analysis and design of a structural strengthening scheme for the St Peter's church building.

### Hearing options

I wish to be heard in support of my further submission?  Yes  No

If others make a similar further submission, I will consider presenting a joint case with them at a hearing.

Yes  No

Signature: W D C Clark

Date: 2 August 2023

*(of person making submission or person authorised to make decision on behalf)*

**PLEASE NOTE** - A signature is not required if you submit this form electronically. By entering your name in the box above you are giving your authority for this application to proceed.

**Electronic address for service of person making further submission:** 92 Hill Road, Belmont, Lower Hutt

**Telephone:** 04 565 3650

**Postal address (or alternative method of service under section 352 of the Act):** 92 Hill Road, Belmont, Lower Hutt

**Contact person:** *[name and designation, if applicable]:* Win Clark (BE Civil), FEngNZ(Ret.)

**You have served a copy of the further submission on the original submitter (this is required under the Resource Management Act 1991 Schedule 1, s8A(2) to be completed within 5 working days after it is served on the Timaru District Council)**

Yes    No

**Further submissions close on Friday 4 August 2023 at 5pm.**

To whom it may concern

**Further submission in support of submission 80.1 on the Proposed Timaru District Plan**

The Parish of St Peter's Anglican Church Temuka have requested an addition to the proposed District Plan's Schedule of Historic Heritage Items (SCHED 3). The request was for the Church building of St Peter's Anglican Church Temuka be added to the Schedule as a Category B listing.

I, Winston David Currington Clark (structural engineer), support the proposal that St Peter's Anglican Church Temuka be added to the District Plan's Schedule of Historic Heritage Items (SCHED 3) as a Category B listing.

I have been directly involved with the church to provide a structural engineer assessment of the church building, and design and detail a structural strengthening solution. In the process of investigating the building form and fabric I concluded that the church's stone masonry walls and timber roof structure show a very high standard of workmanship that gives the building an inherent structural strength that can be readily enhanced without detriment to the heritage fabric.

Based on my involvement with stone masonry church buildings throughout New Zealand, in my view Technically, the stone masonry construction of St Peter's church building is an exemplar of stone masonry construction in New Zealand. Consequently, in my opinion, the church building has significant heritage value that should be locally and nationally recognized.

This view is supported by the ICOMOS New Zealand Charter (Revision 2010), which defines Cultural Heritage Value/s as a place:

" ... possessing ... **technological** ... tangible or intangible values, associated with human activity." St Peter's church building possesses those 'technological' values.

Yours sincerely,

Win Clark  
BE(Civil) FEngNZ (Ret.)
