Re Submission 198
Woodbury rezoning

Dear Aaron,

You will recall, we Bernard and Joy O'Keefe met briefly with you on 28th May regarding the need for us to attend another hearing. You assured us all is well and to read through the information that comes out in June.

We have read through Andrew MacLennan's report on submissions taking particular note of all comments relevant to our situation, plus the comprehensive article on conditions laid out for Rural Lifestyle Zones.

We are writing to confirm we agree to the prescribed conditions and understand there is no need for us to attend a second hearing.

Regards,
Bernard and Joy O'Keefe, Alan Stout, Brian Vogel
