Echo Eco Youth Music Festival

Event Report

Event Overview

The Echo Eco Music Festival was held on 30 November 2025 from 4:00 PM to 9:00 PM at the Eco Centre in Redruth, Timaru. The festival aimed to provide an end-of-year celebration for teens, offering a fun and inclusive space for young people to connect, perform, and enjoy live music while promoting eco-friendly values.

Objectives

- Create a vibrant, youth-focused event to mark the end of the school year.
- Provide performance opportunities for local teen bands and emerging musicians.
- Foster community spirit and encourage sustainable practices.

Planning & Execution

Target Audience: Primarily teens, with consideration for including primary-aged bands.

Challenges:

- Securing bands was difficult due to exam schedules; future planning should start earlier.
- Primary school participation was limited; stronger outreach to schools is needed.

Recommendations:

- If primary school bands are not confirmed, start the event later (e.g., 6:30 PM).
- Form a dedicated outreach team to visit schools and promote participation.

Event Format

No formal competition was held. Instead, judges provided constructive feedback and awarded fun prizes such as Best Dressed and Best Original Song. This approach encouraged creativity and inclusivity.

Marketing & Promotion

Challenges: Traditional media (newspaper, TV, Facebook) had limited impact on youth engagement. Word of mouth seemed to be most effective.

Figure 2 Soundman Frazer McLean

Effective Channels:

- School notices and word-of-mouth
- Social media platforms popular with teens (TikTok, Instagram Reels)

Future Strategy: Increase school-based promotion and leverage short-form video content.

Attendance & Volunteer Contribution

Volunteers: 33 individuals contributed approximately 200 volunteer hours, primarily on the event day.

Audience: Around 70 attendees, including volunteers, band members, supporters, and ticket holders.

Community Relations: No complaints from neighbors; advance notices were delivered.

Event Management

Strengths:

- Well-organized with a solid event management plan.
- Diverse and high-quality lineup showcasing various musical styles.

Areas for Improvement:

- Wet weather contingency plan lacked detail; rain impacted attendance despite social media updates.
- Could accommodate 2–5 additional bands for a fuller program.

Figure 3 judges Kenny Wilson, Alice Solis

Sustainability & Community Impact

The festival reinforced eco-friendly values by hosting the event at the Eco Centre and promoting community involvement. It served as a positive platform for youth engagement and creative expression.

Acknowledgements

Special thanks to all volunteers for their time and effort, and to Trustees for their hands-on support before and during the event.

Grateful thanks to all our sponsors, Eco Centre, Crow's Nest, Warehouse, Hynds, Mitre 10, Citycare Water and the Timaru District Council Youth Events Grant for which we would not have been able to put on the event.

Recommendations for Future Events

- Begin band recruitment earlier to avoid exam conflicts.
- Strengthen school outreach for both primary and secondary participation.
- Enhance wet weather contingency planning.
- Expand social media strategy to include TikTok and Instagram Reels.
- Consider starting later if primary school involvement is minimal.

Have you experienced any issues with your intended project budget to date? If so, please explain reasons for any major variances or for providing incomplete information:

Due to the need for having to use prosthetics makeup for this show our estimated cost in this area was to light, we also incurred extra sound cost due to having to hire extra mic's for cast. This however was offset with the success of being able to sell 100% of the seats every night and a generous business donation.

Please attach copies of receipts for items purchased with grant funds *

Synopsis

Act One

Shrek, a lonely ogre, lives peacefully in his swamp until banished fairytale creatures arrive, sent by Lord Farquaad. To get his home back, Shrek agrees to rescue Princess Fiona for Farquaad, with a talkative Donkey tagging along. Along the journey, Shrek and Donkey form an unlikely friendship. They rescue Fiona from a dragon-guarded tower, but she is disappointed Shrek isn't a prince. As they travel back, tension grows, especially as Fiona hides a secret: she turns into an ogre at night.

Act Two

On the way to Duloc, Shrek and Fiona grow closer, but misunderstandings keep them apart. Fiona agrees to marry Farquaad, believing Shrek doesn't love her. With Donkey's help, Shrek realises the truth and rushes to stop the wedding. The fairytale creatures rebel, the Dragon defeats Farquaad, and Shrek confesses his love. Fiona's curse is broken, revealing her true form, an ogre. Embracing who they are, Shrek and Fiona live happily ever after.

President's Message

I am so proud of this amazingly talented cast. *Shrek* is one of my all time favourite shows, and I have wonderful memories of directing *Shrek Jr* for Roncalli College in 2016.

We often ask a lot from our talented teenagers, they are required to sing like Broadway stars, dance like they have come out of Chorus Line, and take on character roles way beyond their years. But you know what? That's because they can! The level of talent amongst this cast is some of the highest I have seen in my 35 years involvement with the SCDL.

The Production Team, HOD's, Crew and Committee have worked wonders and have met every challenge head on with a "can-do" attitude. As Shrek says "Layers donkey, layers", and if you peel back the layers of producing this show, from initial conception to final product, there are layers and layers of volunteer hours spent creating this gorgeous production.

On behalf of the SCDL Board we congratulate every single person for yet another stunning High School Junior Show.

Chairperson's Message

A Shrektacular Message of Thanks
What a fairy-tale journey this past year has been!

With a small but mighty committee - our own little band of Far Far Away heroes - we pulled together, worked cohesively across every realm of production, and brought this show to the stage. And we didn't just do it... we did it ogre-sized and we did it well!

To our incredible committee: thank you for your support, your ideas, and your dedication. From the original four of us to the awesome team we have now, your commitment has transformed this project into something truly magical. A special shout-out to Kem and Sheree for helping us set off on the right path at the very beginning of the swampy trail.

A heartfelt thank-you as well to the Board, and to Sharleyne Diamond (Manager), for your ongoing support and guidance. Your belief in our committee has meant so much and helped us bring this production to life.

To our volunteers - thank you for giving your time, energy, and enthusiasm. Whether you were helping backstage, organising, supporting rehearsals, or stepping in wherever needed, your efforts have been truly invaluable. This production simply could not happen without you.

Our production team has crafted a truly enchanting show, and once again our young performers have proven themselves to be absolute superstars of Far Far Away.

To our behind-the-scenes teams - set building, set painting, costuming, and the towering task of wig and special effects makeup design - thank you. Your creativity has turned plain old wood, paint, hair, clothing, and imagination into a world fit for ogres, princesses, and talking donkeys.

And to Cindy and Dale Maclaren, what a dream team we make. Like Shrek, Donkey, and Fiona... okay, maybe not exactly like them... but we work brilliantly together, and we can only keep getting better!

In the words of Shrek himself, as we bring this adventure to a close: "That'll do, Donkey. That'll do."

Sarah Graham
Committee Chairperson

Patron's Message

The Junior Section since 1961 have performed their fairy tales ranging from the traditional Cinderella to the modern. With this *Shrek* production we meet again many of those adorable fairy land characters that we have enjoyed. We are pleased to greet them once more and we know they will continue to enchant an audience.

Anne M Ellis Patron.

The Design Team

Musical Director
Catherine Anderson

Catherine Anderson is a local piano teacher and freelance musician based in Timaru.

She studied music at Bath Spa University in the UK where she was musical director for productions of *Company* and *West Side Story*, as well as performing in university show bands for *Godspell*, *Bat Boy* and *Into the Woods*.

Catherine is a qualified primary school teacher and has experience of directing and singing in a range of choirs of all ages. This is her fourth show as Musical Director for SCDL and she has now completed the trifecta of working with the adult, high school and junior school musical theatre sections.

She has loved working with the enthusiastic and talented voices of the cast and would like to thank Sarah and Ella for being such an awesome production team to work with!

Director
Sarah Prentice

After twenty years wandering through the theatrical wilderness (and occasionally bursting into song), Sarah has stacked up over 38 productions like a well-layered ogre. From community theatre to touring companies, holiday programmes to film and TV, and even her own kingdom, Apprentice Productions, she's done it all... and probably added jazz hands to most of it.

Of all her roles, her favourite has to be sitting in the Director's chair... with recent adventures including *Thoroughly Modern Millie* and *Catch Me If You Can* for SCDL, but this time she's traded the swinging 20's and con artists for mud, mayhem, and a slightly grumpy green icon.

Directing *Shrek The Musical* has been a joyous, chaotic, fairy-dust-filled romp, and Sarah cannot wait for Timaru audiences to dive headfirst into this hilarious, heart-filled tale. Sarah is unbelievably proud of this wildly talented cast and all the behind-the-scenes legends who have worked their magic (no fairy godmother required) to bring this show to life.

At its heart, *Shrek The Musical* reminds us that true beauty lies in embracing who we are, proving that love, friendship, and belonging bloom brightest in the most unexpected (and delightfully swampy) places.

I have also been highly involved with the creation of the dragon, and other puppet elements.

Now sit back, relax... and remember... ogres are like onions.
Enjoy the show!

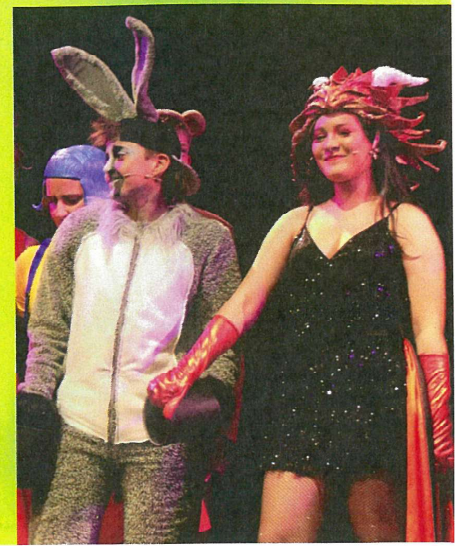

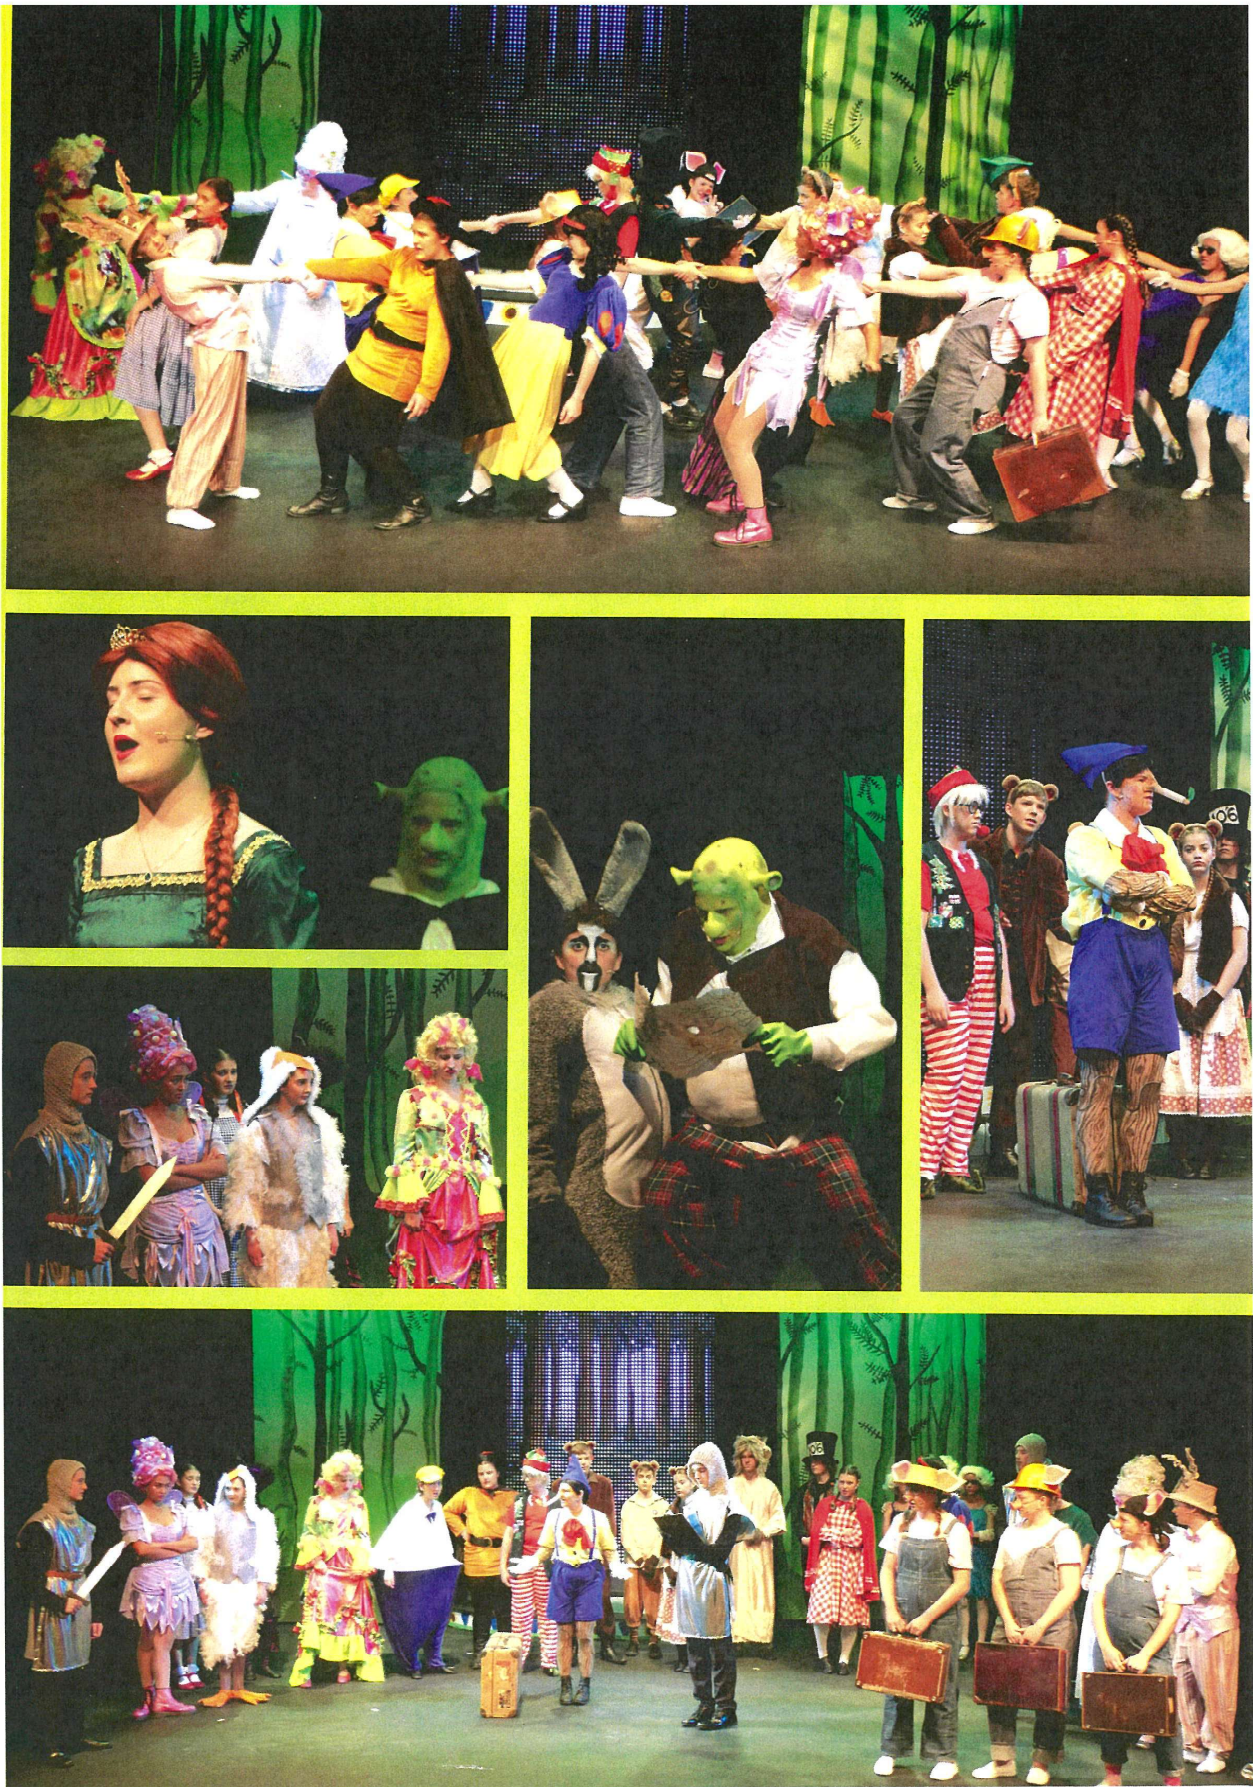

Choreographer
Ella Neutze

Ella is thrilled to be stepping into her first role as choreographer for the Drama League. A familiar face on stage, she has previously performed in a range of productions including *Freaky Friday*, *Catch Me If You Can*, *The Addams Family*, *Heathers*, and *Legally Blonde*. Alongside performing, she has contributed behind the scenes in crew, sound, and front-of-house roles, giving her a well-rounded understanding of theatre production.

In 2024, Ella choreographed *Grease* for Geraldine High School, an experience that confirmed her passion for bringing movement and storytelling together. She has loved being part of the production team this year and especially valued the opportunity to be more deeply involved in shaping the show.

Ella is incredibly grateful to Catherine and Sarah for their support, encouragement, and friendship throughout the process - they've been the best teammates. She is immensely proud of the cast and hopes they receive the enthusiastic audiences they truly deserve.

Project Title

Youth Impact/Art Awards

Please provide a short summary of the work that was completed as part of this project / program / initiative *

The project delivered two major youth-focused initiatives: the Youth Impact Awards and the V.O.I.C.E Art Awards, both designed to recognise and celebrate rangatahi across South Canterbury.

For the Youth Impact Awards, we coordinated a full regional nomination process that resulted in over 70 nominations from Mackenzie, Waimate, Geraldine, Pleasant Point, Temuka, and Timaru. This involved outreach to schools, community groups, and youth organisations, organising judging panels, and delivering a celebration event that highlighted leadership, service, creativity, culture, and community impact.

The V.O.I.C.E Art Awards showcased youth creativity through an exhibition and awards evening, receiving over 150 art nominations, including many first-time participants. Work included managing submissions, supporting schools new to the process, curating the exhibition, and introducing the new Disability in Action category to ensure accessible recognition for young artists with disabilities.

Both programmes were delivered through collaboration between the Tongan Society South Canterbury, Multicultural Aoraki, Refugee Settlement Services, Timaru District Council, and The Y. This partnership enabled wide regional reach, strong community engagement, and inclusive participation across cultures, abilities, and communities.

Highlights/benefits

What were the highlights/benefits of your initiative?

The initiative created a powerful, district-wide celebration that brought young people together across cultures, abilities, and communities. One of the biggest highlights was seeing rangatahi from Mackenzie, Waimate, Geraldine, Pleasant Point, Temuka, and Timaru all represented in the same space, many participating for the very first time. The Youth Impact Awards received over 70 nominations, and the V.O.I.C.E Art Awards received over 150, showing a significant increase in engagement and visibility for youth achievements and creativity.

A major benefit was the sense of pride and confidence expressed by participants. Many young people shared that being recognised publicly—whether for their leadership, community mahi, or artistic talent—made them feel valued and seen. The introduction of the Disability in Action category also ensured that young people with disabilities had a dedicated platform, strengthening inclusion and accessibility.

The collaboration between the Tongan Society South Canterbury, Multicultural Aoraki, Refugee Settlement Services, Timaru District Council, and The Y created a unified event rather than separate cultural or community award nights. This meant all rangatahi were celebrated together, reinforcing belonging, connection, and shared achievement across the region.

Overall, the initiative strengthened youth voice, expanded access to recognition, and showcased the diverse strengths of young people in a positive, uplifting way.

Subject: Re: Follow-up on accountability – Youth 7's 2025 funding

Kia ora Jess,

Thank you for following up and for giving us the opportunity to resolve this before the September meeting. We also appreciate your ongoing support of Tongan Society and our young people.

After reviewing our records, we have found that some receipts were not retained. We acknowledge this gap in our record-keeping and apologies that the accountability remains outstanding.

The barbecue was directly connected to the South Island Youth 7's. It was held after the tournament to acknowledge the young people and families who participated and supported the event. It was not a separate, unrelated activity, although we recognize this was not clearly explained in our original information.

Regarding the \$487.50 (\$543.38 with GST) invoice, the costs were shared with TDC & Aoraki Womens Fund (\$500 granted) though that was not reflected in the report - TDC portion was \$340.08 of the total invoice, which we can update and send through.

If we cannot provide acceptable evidence for the full grant, we are more than willing to discuss returning any unsupported amount. Before doing so, we would appreciate your advice on what alternative evidence may be accepted and whether any repayment is required.

Thank you for working through this with us. Please let us know when you need the information by.

Mälö 'aupito,

Subject: Follow-up on accountability – Youth 7's 2025 funding

Kia ora kōrua

I hope you've been well. I just wanted to follow up on the accountability for your Youth Initiatives grant for the South Island Youth 7's 2025 event.

Our funding advisor got in touch back in March about needing receipts to cover the full \$2,000 grant, but we haven't heard back, so I thought I'd check in.

At the moment, we're just not quite able to complete the accountability on our end. We have a few receipts that meet the requirements (van hire and three petrol receipts), but the rest of the information provided is in the form of bank transactions, which we're not able to match through as supporting documentation. I also just wanted to check my understanding of the information provided - it looks like the funding may have been used across two different events, and one of those (end of year barbecue) wasn't part of the original funding approval. There may be a really straightforward explanation for this, so it would be great to hear a bit more from you.

In the March email, we also asked about a potential contribution of \$487.50 from the Aoraki Women's Fund for socks and jerseys. As this was listed as unconfirmed, and the invoice includes the Women's Fund logo, I'm just keen to check how that landed in the end and how the costs were shared.

As you know, we do need to make sure Council funding is used for the purpose it was approved for and that we've got the right documentation on file. Because this is still outstanding, we'll need to report this to the Youth Initiatives Subcommittee. If we're not able to resolve things before their September meeting, they may need to consider whether any of the funding needs to be returned.

We'd much prefer to work through this together if we can without needing to take it back to the Subcommittee.

When you have a chance, could you please send through receipts that cover the full \$2,000 grant, and a bit of clarification around how the funding was used across the activities.

Thanks again for the effort that went into running the events - I know the incredible mahi you do with young people and the wider community, and I'm a huge supporter of the Tongan Society and everything you do.

Ngā mihi,
Jess

Subject: Youth Initiatives Application - Tongan Society South Canterbury

Good afternoon,

Thank you for your application for Ako Tonga, which was considered by the Youth Initiatives Subcommittee on 11 March 2026.

I'm writing to let you know that, on this occasion, the application was declined due to outstanding accountability requirements from the previous grant for South Island Youth 7's 2025. As part of Council's funding process, applicants are required to complete an accountability report for any previous funding received. Council policy notes that *"failure to provide an acquittal report, or to provide one to Council's satisfaction, may affect an applicant's ability to apply for subsequent funding."*

While we did receive the accountability form on the day of the meeting, it was incomplete, and there was insufficient time to follow up for clarification before the Subcommittee made its decision. In particular, we were unable to confirm full accountability for the \$2,000.00 grant, as receipts covering the full amount were not provided. We also noted that the original application referenced a potential contribution of \$487.50 from the Aoraki Women's Fund for socks and jerseys. As this funding was listed as unconfirmed, and the invoice provided included the Women's Fund logo, we were unable to determine whether additional funding was received and how costs were shared.

As a local authority, Council is required to ensure that public funding is used for the purpose it was approved for. To complete the accountability process, could you please provide receipts that account for the full \$2,000.00 grant received, along with confirmation of whether any additional funding was secured for this project. If you could provide this information by 27 March 2026, that would be appreciated. Once the accountability is complete, this will help support any future funding applications.

Please feel free to get in touch if you have any questions or need clarification on what's required.

Kind regards,

Naomi Scott
