Subject: Submitter 81 - J&R Shirtcliff - Tech review errors
Date: Thursday, 26 February 2026 9:51:28 am

Hello

There appear to be several typographical errors in the text of the RLZ document.

RLZ- R2 Per-1 “principle” should read “principal”

RLZ-R3 PER-1 9 “caress” should presumably read “carcase”

RLZ-R7 Matters of discretion, 7 “a operational” should read “an operational”

Kind regards,

John Shirtcliff
