PDP Review

Attention PDP Administrator

We refer to the Draft Decisions Document. There are no technical matters we wish to comment on but for reasons of accuracy we request minor corrections are made to the transcript.

Page 75

Highly Productive Land (Section 391) "Their daughter" should read "Their son" also spoke at the hearing..."

Also for correction on page 75 is footnote 181 : our son's name is Dr Benjamin Payne - not Dr Benji Payne as named here.

Many thanks and Kind Regards
Sue Payne
