FURTHER SUBMISSION IN SUPPORT OF SUBMISSION #80 - ST PETER'S CHURCH, TEMUKA - PROPOSED HERITAGE LISTING - PROPOSED TIMARU DISTRICT PLAN

To whom it may concern

This is a submission in **support of** St Peter's Church in Temuka being included in the Proposed Timaru District Plan as a Scheduled Heritage Item on TDC's Heritage Schedule, as requested in the submission of Jane Fuller (PDP submission 80).

St Peter's is a building of historical value to Temuka and South Canterbury, as Vicar of the church I am very aware that many view the church as a tangible and spiritual link back to their descendants. Families and individuals often return to mark important significant, life changing events at St Peter's viewing it as their families' spiritual home.

The Church is a sacred space steeped in tradition which offers a sense of tranquillity, peace, and purpose not only to those attending weekly worship but also to the wider local community. It is common to have people from around New Zealand and overseas returning to spend time in the church.

While St Peter's is located in a prominent position on the corner of King and Dyson Streets at the northern entrance to the commercial centre of Temuka, it is also clearly visible to all traffic travelling on state highway one. The church has historical, architectural, cultural, spiritual, and social significance to the community of Temuka and South Canterbury.

It is my belief that the seismic strengthening which the church is seeking to undertake, along with securing listed building protection will help safeguard the building for future generations, as well as preserving and retaining what is an important part of Temuka's cultural heritage.

While understanding there may be limitations brought about from being a Category B listed building, the parish wishes to preserve this important piece of local history for future generations to use and enjoy.

I am fully supporting Jane Fuller's applicant (PDP submission 80) to Timaru District Council to have this important building included on the council's Heritage Schedule, as part of the current District Plan Review process.

Revd Shirley Hawke
Vicar of St Peter's Anglican Church Temuka.
