

TIMARU DISTRICT COUNCIL Noticeboard

CONSERVE WATER TO HELP WITH THE DISCOLOURATION ISSUE

Timaru City is at Level 3 Water Restrictions

- No watering of lawns
- No sprinkler use
- Hand Held Hose or Microjet system may be used for 1 hour a day between 6pm and 8am
- Please conserve water where you can

For more information about Water Restrictions, visit:

<https://www.timaru.govt.nz/water-restrictions>

Alternative drinking water locations

Although Timaru's water is safe to drink, for those who wish to use an alternative supply we have filling stations available at the following places:

- Caroline Bay
- Aorangi Park
- Domain Ave, near Botanic Gardens

Council working hard to resolve discoloration

Timaru District Council is currently working on a range of engineering solutions to help with the discoloration issue, and is asking the community to support it by following increased Water Restriction rules.

What we're doing?

- We have undertaken river works in the Opihi to

increase the level of natural filtration provided by the river.

- We have started supplementing the Opihi with water from our Temuka supply via tanker deliveries to the Gleniti Reservoir site.
- We are installing a test filtration plant for water to pass through prior to treatment.
- We are undertaking an increased testing regime to assure the community the water continues to meet drinking water standards.
- We're asking residents and industry to conserve water use where we can under Level 3 water restrictions.

Drainage and Water Manager Grant Hall said that while we're undertaking these works, for them to work effectively we really need the support of the community to reduce the amount of water being used.

"This is why from today Timaru Urban Water Supply is at Level 3 Water Restrictions and a residential sprinkler ban. This will help support our efforts to resolve the discoloration issue, while ensuring we have enough supply to last through summer.

"Timaru City currently uses around 22 million litres of water a day, we can only take 17 million litres a day from Pareora, and therefore we need to minimise the amount we have to supplement from the Opihi by reducing the water demand.

"There is now a sprinkler ban in place for everyone resident in Timaru City. A single hand held hose or micro jet system is allowed to be used for one hour between 6pm and 8am and no watering of lawns is allowed.

"We're also asking people to take other steps to try and reduce water usage in the short term such as taking shorter showers, checking for leaks, only running the washing machine and dishwasher when it is full and not waterblasting or cleaning things with the hose."

For more information about the discoloration issue visit [Timaru.govt.nz/discoloration](https://www.timaru.govt.nz/discoloration)

Increased heavy traffic movements around Gleniti Reservoir Site

As part of our plan to mitigate the discoloration issue we will be delivering water by tanker to our site at the Gleniti Reservoir on the corner of Gleniti and Pages Roads.

As a result there will be a significant short term increase in heavy traffic on the following roads for at least the next two weeks:

- McNair Road, Temuka
- Richard Pearse Drive, Temuka
- Ewen Road, Temuka
- State Highway 1
- Washdyke Flat Road, Washdyke
- Kellands Hill Road
- Pages Rd
- Gleniti Road
- Wai-iti Road
- Mountaiview Road

We would advise that people should try to avoid the area where possible during this period, particularly cyclists and other vulnerable road users. The pavement around Gleniti Reservoir will be closed, but an alternative route around the back of the site will be provided.

COUNCIL MEETINGS

Monday 31st January 2022

8.30am Audit & Risk Committee
Meeting Room 1, District Council Building, 2 King George Place, Timaru

5.00pm Temuka Community Board
Temuka Library & Service Centre, 72-74 King Street Temuka

Meeting Room 1, District Council Building, 2 King George Place, Timaru

Agendas will be available two days prior to the meetings on our website www.timaru.govt.nz

- Due to covid-19 restrictions there will be some changes to meetings previously advertised, including potentially those listed above. Please refer to our website for the most up to date information.
- Some meetings may be deferred or cancelled during this period of enforced isolation.
- Times and venues for meetings may alter at short notice.
- Any meetings that do proceed will be advised as soon as practicable.
- Public forums and public attendance at meetings are temporarily discontinued. Hard copies of any agendas will not be available. Go to www.timaru.govt.nz to view agendas and minutes.
- Council's priority is to keep the community safe and disruptions to the normal meeting schedule are part of the adjustments Council has to make.

Upcoming Road Projects

Canal Road – Bridge 41 Repairs

Detour via Ritchie Road, Bain Road & Rise Road

We're completing flood repair works on Bridge 41, Canal Road. Works will commence 11 January 2022 with an estimated duration of 6 weeks.

Road users will be detoured via Ritchie Road, Bain Road and Rise Road.

Please drive with care, we thank you for your patience.

TEMPORARY CLOSURE

PROPOSAL TO VARIOUS STREETS TIMARU TO VEHICULAR TRAFFIC

Pursuant to the Transport (Vehicular Traffic Road Closure) Regulations 1965, notice is hereby given that the Timaru District Council for the purpose of Multicultural Aoraki, holding a Multicultural Market, proposes to close of the following street to ordinary vehicular traffic for the period indicated hereunder.

Streets proposed to be temporarily closed to ordinary vehicular traffic:

George St (Station St – Stafford St)
Stafford St (Station St – Beswick St)

Period of proposed temporary closure:

Saturday 26 March 2022
5.00am – 3.30pm

During the proposed period of closure the following provision will be made for ordinary vehicular traffic which would otherwise use the road:

State Highway 1

Any person objecting to the proposals is called upon to lodge notice of their objection and the grounds thereof in writing on or before Friday 28 January 2022 at the office of the Timaru District Council, P O Box 522, Timaru.

Bede Carran
Chief Executive
Timaru District Council

TEMPORARY CLOSURE

PROPOSAL TO CLOSE HADLOW ROAD TO VEHICULAR TRAFFIC

Pursuant to the Transport (Vehicular Traffic Road Closure) Regulations 1965, notice is hereby given that the Timaru District Council for the purpose of the Timaru North Rotary, holding the Hadlow to Harbour, proposes to close of the following street to ordinary vehicular traffic for the period indicated hereunder.

Streets proposed to be temporarily closed to ordinary vehicular traffic:

Hadlow Rd (Brockley Rd – Rosebrook Rd)

Period of proposed temporary closure:

Sunday 6 March 2022
8am – 1pm

During the proposed period of closure the following provision will be made for ordinary vehicular traffic which would otherwise use the road:

Rosebrook Road

Any person objecting to the proposals is called upon to lodge notice of their objection and the grounds thereof in writing on or before Friday 28 January 2022 at the office of the Timaru District Council, P O Box 522, Timaru.

Bede Carran
Chief Executive
Timaru District Council

The 2022 Justice of the Peace Library Service resumes this Saturday, from 10am to 12pm, 15 January across all branches.
