**INTRODUCTION**

[1] Council has received two requests seeking to extend the 20 February 2025 deadline for information to be provided from submitters in support of their rezoning requests for Hearing G – Growth:

- (a) A request from D & S Payne (submitter 160) seeking an extension of time for filing to 28 February 2025; and
- (b) A request from Rosa Westgarth and Jan Gibson (submitter 227) seeking an extension of time for filing two weeks after Council provides information in relation to a draft Development Area Plan (DAP) for Future Development Areas 1, 2 and 4.

[2] The Council filed a memorandum<sup>1</sup> outlining the requests, and confirming that Council does not oppose either request for extensions of time to 28 February 2025 (Payne) and two weeks following receipt of DAP-related information (Westgarth and Gibson).

[3] The Panel<sup>2</sup> approves the request to extend the timeframes.
