Chapter: Part 2 – Contents

70.11	Part 2 Contents	General	<p><i>there are several aspects of the draft plan which have not been fully addressed and listed. Such as important landscape features and significant trees.</i></p> <p><i>So, ask that there be further consideration given to both of these aspects, at least, and that such landscape aspects and significant trees, especially native trees, be included in the revised or updated Draft Plan.</i></p>
