Dog Adoption
Where to exercise your dog

Welcome to our 2021/22 K9 Newsletter

What's new?

Would you like your dog registration invoice sent to your email rather than post from next year?

Please visit the link below to request this option:

www.timaru.govt.nz/emailmyinvoice

Timaru District Leckie Street Dog Park

This is a great place to take your dog/s to exercise off lead and is a great way to socialise your dog with other dogs.

Please ensure that your dogs are kept under control around the gate area of the park to allow dogs space that are entering the park as this can cause anxiety in some dogs and owners and can cause some dogs to react with aggression.

Adopting a dog

The Council often has dogs available for adoption.

To find out whether a dog is up for adoption please visit our Facebook page or call and talk to one of our friendly Animal Control Team on 03) 6877200.

Costs of Adoption

Adoption fees are \$102 to cover dog registration, microchip and part payment of neutering costs, (you receive a voucher to a vet of your choice).

Trial Period

We have a ten day trial period to allow you to change your mind if the dog isn't working out for you and your family.

If the dog is brought back to the pound within that ten day trial period, your money will be refunded.

Timaru District Dog adoption page

This has been developed for advertising purposes to help achieve a higher success rate in adopting dogs and to advertise up coming events like micro chipping clinics and dog registration.

How to follow us on Facebook:

- Log into Facebook
- Search for Timaru District Council Animal Control
- Click on the page and click 'Like' so that you can receive any updates on this page in your news feed.

Dog registration

Do I need to register my dog?

Yes, all dogs over the age of three months old need to be registered with the Council.

It is important to keep all your details and your dog's details on our register and the national register. Please let the Council know, within 14 days, if your dog dies, you sell or give it away, or you change your address.

You can now register online

If your dog is already registered, you can now renew your dog registration online by visiting www.timaru.govt.nz/pay-online

New dogs need to be registered separately by visiting a Council office or service centre.

What happens if I don't register my dog?

- You will have to pay your dog registration fee plus an additional late payment fee.
- When an unregistered dog is found the owner can be liable for a \$300 infringement.
- The dog can be seized and impounded.

Free micro-chipping

With current registration, comes FREE micro-chipping!

The Council will be holding four micro-chipping clinics a year at the Leckie Street Dog Park in Timaru.

These are held from 11.30am – 12 noon on the following dates:

- Saturday 31 July 2021
- Saturday 30 October 2021
- Saturday 29 January 2022
- Saturday 30 April 2022

If you would like your dog to be micro-chipped please come into the Council, Temuka or the Geraldine Service Centres and fill out a micro-chipping form prior to the clinic you wish to attend.

If you would like your dog/s micro-chipped outside of the set clinics or you would like our officers to visit your home, there will be a \$25 fee.

Why do we need to micro-chip our dogs?

- If your dog is lost and found the Council can easily reunite you both
- It's been a law since 2006 for all dogs to be micro-chipped (except for working farm dogs)
- If your dog has been impounded, declared dangerous or menacing then it will need to be micro-chipped even if it was registered prior to 2006

DOG EXERCISE INFO

The list below shows where dogs can be off lead while under complete control.

Owners need be vigilant about watching their dog making sure it is under complete control at all times. If you think that your dog may not like other dogs and is inclined to show aggression please take appropriate precautions and put a muzzle on your dog to prevent any possible attacks.

Dog exercise areas

- River areas (the riverbed, i.e. shingle, stream, and berm areas)
- Pleasant Point Domain (Fire brigade practice area when not in use by the fire brigade)

Dogs prohibited

- Camping grounds – Labour Weekend until Easter (inclusive)

District wide

The following areas are where dogs are prohibited:

- All children's playgrounds.
- The playing or training surface of any sports ground or sports field owned by the Council.
- Within 10 metres of any child's play equipment or play area or paddling pool in any park or reserve, or of any aviary in any park or reserve.
- Any swimming pool or other place owned or controlled by the Council, including all area within the fenced boundary of the swimming pool.
- Public Libraries.
- Premises used for, or in connection with, the manufacture, preparation, packing or storage or sale of food (this includes external eating areas and is up to the individual food premises).

NB: Therefore compliance shall be in accordance with the food safety legislation at the current time.

Dogs must be on a leash while away from the owner's property other than:

- Working farm dogs.
- Dogs in the exercise areas listed here.

Limitations

Where the walkway in an exercise area borders or passes through a prohibited area (e.g. playground area) and there is no alternative route, owners are allowed to continue along the walk way, providing their dog is on a leash and that the owner does not stop in that area.

Picnic areas within the exercise areas are designated dog on leash areas.

Owner responsibilities

The following issues are the main complaints people have with dogs in our community:

- Clean up after your dog, always carry doggy doo bags. Biodegradable bags can be purchased from the Council, Temuka and Geraldine Service Centres.
- Walk your dog on a lead at all times apart from when you are in a dog exercise area.
- If a dog is rushing at people, it is the owner's responsibility to make sure it does not threaten people in the community.
- If your dog shows any form of aggression towards people or animals please put a muzzle on it when you are in a dog exercise area.
- If your dog is causing a barking nuisance, it is the owner's responsibility to prevent this.

Please do not take your dog to any exercise areas while it is in season.

Dog bite prevention in schools

This involves a 30 minute presentation and is aimed at the 5-8 year old age group.

The programme educates children on how to behave around dogs and how to protect themselves when approached by a dog, aiming to reduce dog bites and injuries in our community. This program is available to all schools and early childhood centres in the Timaru District.

The Council has received a lot of positive feedback from the schools that have participated in this program.

Prevention methods for behavioural issues

- Research your dog's breed to understand their particular needs.
- Exercise your dog at least once day for at least 30 minutes.
- Provide them with water, toys and a bed while you are not home (they may get bored and anxious).
- If they are barking or rushing at people they can see on the footpath, block their view or keep them contained within the back yard.
