Timaru District Licensing Committee

Annual Report to the Alcohol Regulatory and Licensing Authority

For the year 2022 - 2023

Date:	11 August 2023
Prepared by:	Debbie Fortuin Environmental Compliance Manager Timaru District Council

Introduction

The purpose of this report is to inform the Alcohol Regulatory and Licensing Authority (the Authority) of the general activity and operation of the Timaru District Licensing Committee (DLC) for the year 2022-2023.

There are three DLC's operating in the South Canterbury area under a single Commissioner, this model having been adopted during the implementation of the Sale and Supply of Alcohol Act 2012 (the Act) in December of 2013. The three DLC's are that of the Timaru, Waimate and Mackenzie Districts.

This report relates to the activities of all the DLC's in the body of the text and to the Timaru DLC alone in the Annual Return portion of the report at the rear of this document. This satisfies the requirements of the territorial authority set out in section 199 of the Act.

Overview of DLC Workload

DLC Structure and Personnel

The table below shows the current membership of the three DLC's under the Commissioner. No changes occurred during the reporting period.

Council	Name	Role
Commissioner (Independent of Council Role)	Sharyn Cain	Deputy Mayor - Waimate District Council
Timaru DLC Members	Peter Burt	Deputy Chair, Councillor - Timaru District Council
	Stu Piddington	Councillor – Timaru District Council
	Gavin Oliver	Councillor - Timaru District Council
Mackenzie DLC Members	Anne Munro	Mayor – Mackenzie District Council
	Scott Aronsen	Councillor – Mackenzie District Council
	Murray Cox	Councillor – Mackenzie District Council
Waimate DLC Members	Craig Rowley	Mayor - Waimate District Council

Total costs for Timaru District Council DLC activities for the period amounted to \$174,142.00. This was made up of elected members allowances, travel costs, administration costs and solicitors fees, relating to the DLC.

In terms of Council staff delivering licensing services to the community and the DLC, there are 1.5 FTE licensing inspectors, a 0.5FTE licensing administrator and the secretary to the three DLC's, who also manages the activity, for the 3 councils.

A review of resourcing needs was undertaken with the resultant increase of 0.5FTE liquor licensing role added to the team. This will assist in our ability to undertake more monitoring which will take effect in the next financial year.

Hearings

There were no hearings held in this financial year period.

Monitoring

A controlled purchase operation undertaken of a number of premises in the Timaru District, resulted in 3 premises being in breach of the conditions of their licenses for sales to minors. This resulted in a penalty of 28 days stand down for the Manager in charge plus a 3 day suspension of operation for each premises.

42 Premises in the Timaru District were visited out of a total of 139 premises representing 30%. Monitoring visit numbers were low due to resourcing issues and availability of tri-agency partners who need to undertake these visits together with the licensing inspector.

Local Alcohol Policy

The Timaru, Mackenzie and Waimate District Councils jointly prepared and developed a Local Alcohol Policy, which was came in to force on 24 March 2016.

The LAP is currently under review and undergoing the special consultative process.
