PROPOSED DOMAIN DISC GOLF

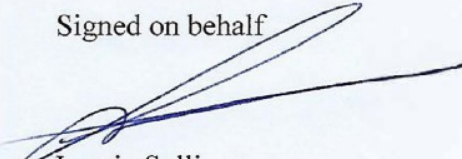

Dear Members of The Temuka Community Board,

At our last committee meeting it was brought to the attention of the Members that The Timaru District Council and/or Temuka Community Board are considering a proposal to set up an 18hole Disc Golf Course in the domain.

Although as a sporting body ourselves we would not wish to stand in the way of any sporting progress or development in our town we do trust however that before any definite plans are put in place, a due consultation process will be open to all domain tenants and users before any expenditure or commitment is undertaken.

As you will be well aware the domain is not just used by sporting clubs but by many people both young and old on a very regular basis so consideration will have to be given to all. The obvious area of main concern to us would be the eastern area which is regularly used not only by parking vehicles but most importantly by people enjoying various social activities such as lunching, picnicking, wedding parties or those heading to the popular walkway below.

Signed on behalf

Laurie Sullivan
