This further submission is in relation to the original submission of: Enter the name of the original submitter as per the SoDR. E.g. Timaru District Council	This further submission is in relation to the original submission Number: enter the unique submission umber as per the SoDR. E.g. 42.45	The particular parts of the original submission I/we support /oppose are:	My/our position on the original submission is: Support or oppose	The reasons for my/our support/ opposition to the original submission are:	Allow or disallow the original submission (in full or in part)	Give precise details (which can include tracked changes) of the decision you want the Council to make in relation to the original submission point
Ballance AgriNutrients Limited		Amend GRU-O2 Character and qualities of the General Rural Zone as follows: [] <u>ADD</u> : 1. a working environment of mostly utilitarian buildings and structures where primary production <u>and associated activities</u> generates noise, odour, light overspill and traffic, often on a cyclic and seasonable basis;	Support in part	The description of the rural zone is important to ensure that it adequately describes that it can be a noisy environment. Noise in the rural zone is from primary production and associated activities. Sensitive activities locating in a rural zone should not be anticipating a higher level of amenity in a working rural production environment.	Allow	Retain the objective and amend as sought, and, recoginse sensitive activities locating in a rural zone should not be anticipating a higher level of amenity in a working rural production environment.
Penny Nelson, DirectorGeneral of Conservation Tumuaki Ahurei	166.6	Delete the definition of Department of Conservation Activity and replace with the new definition as follows: Conservation Activity Means the use of land for any activity undertaken for the purposes of management, maintenance and enhancement of ecological values for indigenous vegetation and fauna and their habitats. Examples of component activities of conservation are: • Restoration planting • Pest and weed control • Track construction and maintenance • Fencing.	support	NZAAA agrees that there should be a wider definition for 'conservation activity'	Allow	Delete the notified definition and add the new definition as sought
		Amend the definition of Hazardous Facility as follows: 3. <u>Delete: "land based" and "which are not located in a drinking water" 8. Delete: "on site"</u>		The definition of hazardous facility is relevant to HS-R1. The mixing and application of hazardous substances for pest control should not be limited to 'the site' as defined in the plan. Mixing may occur at a mixing point but application is on land other than 'the site'. Land based primary production is not defined in the Plan but 'primary production' is. Clause 3 should refer to 'primary production'. Also 'which are not located in a drinking water' Agrichemicals should be stored in accordance with		
Horticulture New Zealand		Amend the definition of Hazardous Facility as follows: 3. <u>Delete: "land based" and "which are not located in a drinking water" 8. Delete: "on site"</u> Add: 9. agrichemicals used, stored, and disposed of in accordance with NZS8409:2021 Management of Agrichemicals.	Support	NZS8409:2021 to ensure that they are safely stored. The definition of hazardous facility is relevant to HS-R1. The mixing and application of hazardous substances for pest control should not be limited to 'the site' as defined in the plan. Mixing may occur at a mixing point but application is on land other than 'the site'. Land based primary production is not defined in the Plan but 'primary production' is. Clause 3 should refer to 'primary production'. Also 'which are not located in a drinking water' Agrichemicals should be stored in accordance with NZS8409:2021 to ensure that they are safely stored. Support the definition of improved pasture as defined in the National Policy Statement for Freshwater Management 2020	Allow	Allow the deletions as sought. Allow the addition as sought
Helicopters South Canterbury 2015 Ltd Penny Nelson, DirectorGeneral of		Retain the definition as notified.	Support	(NPSFM 2020)	Allow	Retain the definition as sought
Conservation Tumuaki Ahurei Helicopters South Canterbury 2015 Ltd		Add a definition of Agricultural Aviation Activities to the PDP, as follows: means the intermittent operation of an aircraft from a rural airstrip or helicopter landing area for primary production activities, and; conservation activities for biosecurity, or biodiversity purposes; including stock management, and the application of fertiliser, agrichemicals, or vertebrate toxic agents (VTA's). For clarity, aircraft includes fixed-wing aeroplanes, helicopters, and unmanned aerial vehicles (UAV's).	Support	Provides clarity to avoid future confusion with general aviation activities	Allow	Retain the definition as sought Adopt the definition as sought
