ADOPTING A DOG

To find out if we have any dogs up for adoption please visit our Facebook page.

Costs of Adoption

Adoption fees are \$140. This covers dog registration, microchipping, and part payment of neutering costs, (you receive a voucher to a vet of your choice).

Trial Period

We have a ten day trial period to allow you to decide if the dog is a good fit for you and your family.

If the dog is brought back to the pound within that ten day trial period, your money will be refunded.

VISIT THE TIMARU DISTRICT COUNCIL ANIMAL CONTROL PAGE

By searching 'Timaru District Council Animal Control', and liking our page, you can receive any updates from this page in your news feed.

This is where we;

- Advertise any dogs that have not been claimed and are looking for a new home.
- Advertise upcoming microchip clinics.
- Educate dog owners on their obligations as dog owners under the Dog Control Act 1996 and Timaru District Council Bylaws.
- Share cute/funny memes.

DOG REGISTRATION:

Do I need to register my dog?

Yes, all dogs over the age of three months old need to be registered with the Council.

It is important to keep all your details and your dog's details current on our register. Please let the Council know, within 14 days; if your dog dies; you sell or give it away; or you/your dog change address.

Change of address, change of ownership and registration forms can be found online at www.timaru.govt.nz

You can now register online

If your dog is already registered, you can now renew your dog registration online by visiting www.timaru.govt.nz/pay-online. Your dog tag will be mailed to you. If it does not arrive within two weeks, please contact us.

New dogs need to be registered separately by visiting the Council office or service centre.

What happens if I don't register my dog?

- You will have to pay your dog registration fee plus an additional late payment fee of 50%, if it is not registered by 31 August 2025.
- If the dog remains unregistered, the owner can be liable for a \$300 infringement and the dog can be seized and impounded.

FREE MICRO-CHIPPING CLINICS ARE BACK!

Free microchipping is available if your dog has a current Timaru District registration. The Council will be holding four Micro-Chipping clinics a year at the Leckie Street Dog Park in Timaru.

Dates and times are as follows:

Saturday 26 July 2025 10:00am – 10:30am

Saturday 1 November 2025 10:00am – 10:30am

Saturday 31 January 2026 10:00am – 10:30am

Saturday 18 April 2026 10:00am – 10:30am

You must register your interest in attending the clinic by completing a micro-chipping form.

This can be downloaded from our website or completed at the Timaru Council Office, Temuka or the Geraldine Service Centres. This needs to be handed in, posted, or emailed to the council prior to the clinic.

If you would like your dog/s micro-chipped outside of the set clinics, there is a \$60 fee. Please complete a micro chipping form and pay the fee at the Timaru Council Office, Temuka or Geraldine Service Centres.

Why do we need to micro-chip our dogs?

- If your dog is lost and found the Council can easily re-unite you both.
- It's been a law since 2006 for all dogs to be micro-chipped (except for working farm dogs).
- If your dog has been impounded, declared dangerous or menacing then it will need to be micro-chipped even if it was registered prior to 2006.

DOG BITE PREVENTION IN SCHOOLS:

This involves a 45 minute presentation and is aimed at the 5 – 8 year old age group. The programme educates children on how to behave around dogs and how to protect themselves when approached by a dog. The aim is to reduce dog bites and injuries in our community.

If you would like to enquire about Animal Control visiting your school, please contact us on 03 687 7200 or email animalcontroladmin@timdc.govt.nz.

DOG EXERCISE INFO

Dogs must be on a leash while away from the owner's property other than:

Working farm dogs or dogs in a designated exercise area.

DOG EXERCISE AREAS:

The following information shows where dogs can be off lead while under effective control (**Under Effective Control** means, when referring to a dog, the dog is not causing a nuisance or danger and that the person in charge of the dog has the dog under continuous surveillance and is able to obtain the desired response from the dog by use of a leash and, when not on a leash, by use of voice commands, hand signals, whistles or other effective means).

Owners need be vigilant about watching their dog and making sure it is under complete control at all times. If you think that your dog may not like other dogs and is inclined to show aggression, please take appropriate precautions, and put a muzzle on your dog to prevent any possible attacks.

THE FOLLOWING AREAS ARE DOG EXERCISE AREAS:

Please note: no dogs are allowed on sports fields or within 10 metres of playgrounds

OWNER RESPONSIBILITIES

- **Please do not take your dog to any exercise areas while it is in season/on heat.**
- To ensure that the dog is registered in accordance with the Dog Control Act 1996
- Clean up after your dog; always carry doggy doo bags. Biodegradable bags can be purchased from the main Council office, Temuka and Geraldine Service Centres.
- Walk your dog on a lead at all times, apart from when you are in a dog exercise area. Ensure that the dog is kept under effective control at all times.
- If your dog is rushing at people, it is your responsibility to make sure it does not threaten people in the community.
- If your dog shows any form of aggression towards people or animals, please put a muzzle on it when you are in a dog exercise area.
- If your dog is causing a barking nuisance, it is your responsibility to prevent this.

Effective Techniques to Reduce Barking:

1. Ignore Attention-Seeking Barking – Avoid eye contact, talking, or touching when your dog barks for attention. Reward them when they stay quiet.
2. Create a Calm Space – Set up a comfortable, low-distraction area to ease anxiety-related barking, especially at night.

PREVENTION METHODS FOR BEHAVIOURAL ISSUES

- Exercise your dog at least once day for at least 30 minutes. This will vary depending on the breed of your dog. Research your dog's breed to ensure you are catering to their specific needs.
- Provide them with water, toys, and a bed while you are not home (they may get bored and anxious).
- If they are barking or rushing at people they can see on the footpath, block their view, or keep them contained within the back yard.

LET'S KEEP OUR DISTRICT SAFE AND HAPPY FOR EVERYONE

We love seeing you out and about with your doggo's, but we need your help to keep our community safe and enjoyable for everyone.

Why This Matters:

Being a responsible dog owner helps protect our streets, ensures everyone feels safe, and keeps our parks and spaces welcoming for all.

Unregistered Dogs can be seized and impounded.

An amendment to the Dog Control Act 1996 provides that in addition to risking prosecution by keeping an unregistered dog the dog may be seized and impounded.

If you fail to register your dog, and in particular if you repeatedly fail to register your dog, an Animal Control Officer may enter your property and seize the unregistered dog and impound it.

To reclaim your dog, it will then be necessary that you pay your registration fee AND the impounding fee before the dog will be returned to you.
