Timaru District Council
PO Box 522
Timaru 7940
Attn: Karina Morrow
Senior Planner (Policy)

Delivered via email to: karina.morrow@timdc.govt.nz

Dear Karina,

Timaru District Council District Plan Review – Designations

Thank you for your letter dated 14 May 2015 notifying Transpower New Zealand Limited (Transpower) of the review of the Timaru District Plan and the opportunity to advise the Council as to whether Transpower's existing designations will be included in the Proposed District Plan with or without modification.

Pursuant to Schedule 1 (Clause 4) of the Resource Management Act 1991, Transpower provides written notice to Timaru District Council of the requirement to 'roll over' its existing designations under the Operative Timaru District Plan to the Proposed District Plan ('the Plan'), without modification.

Transpower requests the following designations be rolled over in the Plan:

- Timaru Substation (ID No. 31)
- Temuka Substation (ID No. 111)

These designations are shown on the attached maps.

Some minor wording clarifications to the 'Designated Purpose' for the two designations are required. This amendment is simply to align with Transpower's designations in other District Plans and recognises that substations have ancillary buildings and equipment which, for all intents and purposes, are part of the overall substation operation. These amendments are shown in the attached table.

There are no conditions attached to these designations.

ID No.	Planning Map No.	Requiring Authority	Designated Purpose	Legal Description
31	31	Transpower New Zealand Ltd	Electricity Substation National Grid Activities (including Electricity Substation and associated ancillary infrastructure)	Lot 1 DP 60153, LOT 1 DP 53766, Sec 1 SO 15844.
111	19	Transpower New Zealand Limited	Electricity Substation National Grid Activities (including Electricity Substation and associated ancillary infrastructure)	Sec 1 SO 7599

If there are any queries regarding the above or if Timaru District Council requires particular information (including GIS parcel information) for the designation to fit within the format of the Plan, please contact Joanne Mooar on (04) 590 6060 or email environment.policy@transpower.co.nz.

Yours faithfully,

A handwritten signature in blue ink that reads "K Pascall". The signature is written in a cursive style with a horizontal line underlining the name.
