

LARGE FORMAT RETAIL ZONE

Introduction

The Large Format Retail Zone is ~~applied to the former A & P Showgrounds site~~, located in the north-east of Timaru township. This ~~Z~~zone provides for retail activities that require larger floor or yard areas. This recognises the difficulties associated with locating this type of development in other commercial centres within the District, which primarily focus on smaller-scale retail activities and convenience activities. While the ~~Z~~zone is intended to support and complement the overall retail offering of the District, the nature ~~and timing~~ of development within the ~~Z~~zone, and within PREC~~X~~5- Former Showgrounds Precinct, the timing of development, needs to be managed carefully to avoid undermining the purpose, function and amenity values of the City Centre Zone.¹

Objectives

LFRZ-O1 Purpose of the Large Format Retail Zone

The Large Format Retail Zone primarily provides for large format retail, trade suppliers and other ancillary activities that support these large scale retail activities, which are developed in a way that:

1. are of a nature, size and scale that do not undermine the purpose, function and amenity values of the City Centre Zone; and
2. is undertaken in a comprehensive manner and avoids significant adverse effects on infrastructure; and
3. in PREC~~X~~5- Former Showgrounds Precinct, maximises the efficient use of the Precinct by providing for a limited range of other activities where these do not undermine the primary purpose of the Zone².

LFRZ-O2 Character and qualities of the Large Format Retail Zone

The Large Format Retail Zone:

1. accommodates large numbers of people, high traffic movements and requires large car-parking areas; and
2. is well integrated with public transport, walking and cycling connections; and
3. predominantly³ contains buildings that have large gross floor areas and activities that require larger yard areas⁴; and
4. is developed in accordance with good urban design principles, while recognising the functional needs of activities; and
5. enhances the amenity, biodiversity and cultural values within and adjacent to Taitarakihi Creek as well as its flood-carrying capacity.

Policies

LFRZ-P1 Large format retail and trade suppliers

Enable large format retail, trade suppliers and ancillary activities that ensure that Timaru remains the ~~the~~District's key retail and commercial centre, while avoiding the establishment of retail activities that, due to their timing, nature or scale, could undermine the purpose, function or amenity values of the City Centre Zone.

LFRZ-P2 Scale and location of built form

Maintain the amenity values of the surrounding area and adjoining sites, by requiring:

1. buildings to be setback from road boundaries, to reduce the visual effects of the bulk of buildings within the Zzone; and
2. buildings to be setback from the boundary of PREC~~5~~¹⁰ - Te Aitarakihi Precinct, to:
 - a. minimise any dominance effects arising from the location and bulk of buildings; and
 - b. minimise any adverse privacy effects on the adjacent sites; and
3. buildings to be suitably separated from the boundary of the General Residential Zone; and⁶
- 3- 4. Development to be consistent with the APP9 – Large format retail design guidelines.

LFRZ-P3 Effects on values of Taitarakihi Creek

Maintain and enhance the amenity, biodiversity and cultural values associated with Taitarakihi Creek, and its capacity as a floodway.

LFRZ-~~P4~~PREC~~X5~~-P1 Pre-development conditions — ~~R~~oading and fencing

Avoid land-use activities being open for business and available to the public within PREC~~X5~~ - Former Showgrounds Precinct the Large Format Retail Zone⁷, prior to:

1. the construction and operation of a signalized intersection at Grants Road and State Highway 1; and
2. the zone Pprecinct being fenced along the rail corridor in a manner that deters trespassers.

LFRZ-P~~54~~ Other retail activities and staging of large format retail

Avoid the development of:

1. ~~restaurants; and~~⁸
2. any commercial activity (excluding large format retail) that is not ancillary to the primary large format retail activity; and
- 3- 2. within PREC~~X5~~ - Former Showgrounds Precinct, retail activities that do not comply with the staging thresholds,⁹

unless the activity, either individually or cumulatively, will not undermine the purpose, function and amenity values of the City Centre Zone.

LFRZ-P~~65~~ Other activities

Only allow other activities to establish and operate within the Large Format Retail Zone where they:

1. are compatible with the purpose, character and qualities of the Zzone; and
2. are of a scale or nature that would not undermine the purpose, function and amenity values of the City Centre Zone; and
3. ensure that the Timaru City Centre Zone remains the focal point for commercial activities; and
4. appropriately avoid or mitigate potential reverse sensitivity effects¹⁰.

Rules

Note: For certain activities, consent may be required by rules in more than one chapter in the District Plan. Unless expressly stated otherwise by a rule, consent is required under each of those rules. The
