

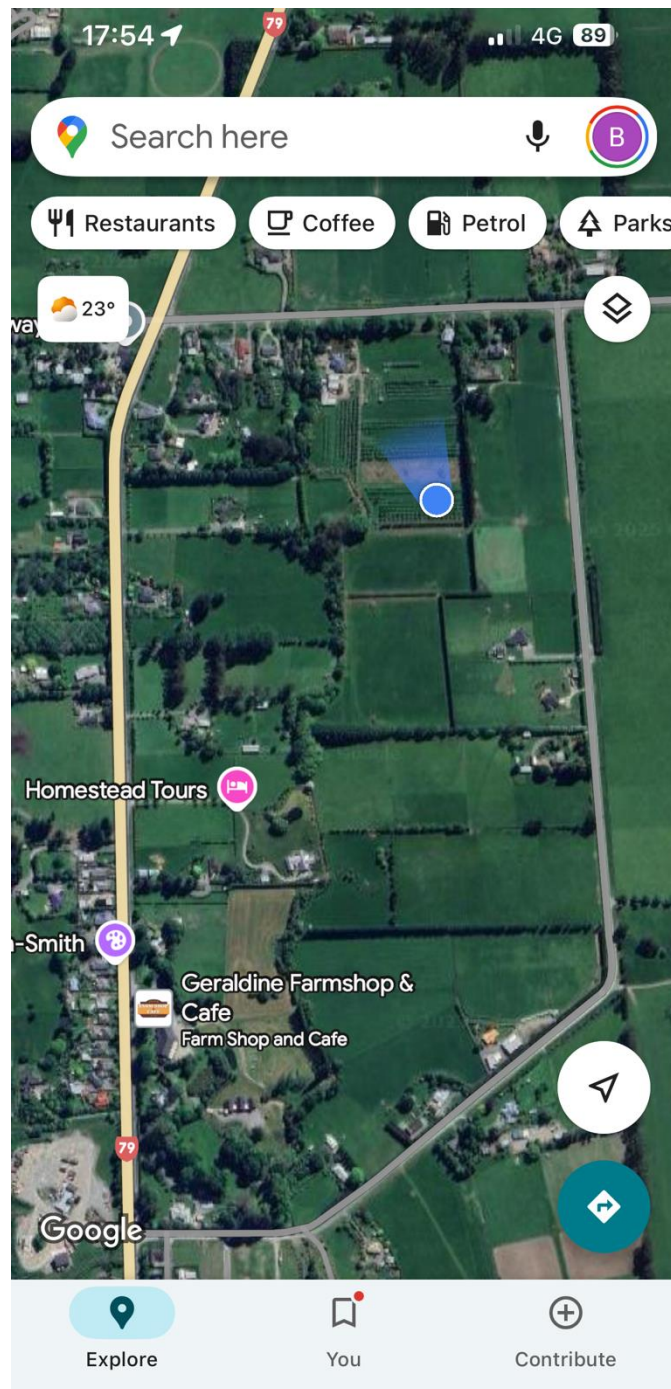

**Figure 1: Concept plan and landscape features of site and area.**

**Figure 1.** Listed Land Use Register (LLUR) image showing the most recent satellite imagery and listed sites (orange) and investigations (diagonal lines) for the subject site.

**Figure 2:** Inaccurate mapping of HAIL sites

(Source: Figure 1, EIC of Michael Massey on behalf of ECan, 8 July 2025)

**Figure 3:** Screenshot of bird protection cannon on day of 2 neighbour complaints on 24 February 2025.

Social license to farm/grow untenable.

**Photo Diary  
(September 2003):**  
Cows from neighbouring dairy farm in the stockwater race that flowed through our property and into spring-fed Raukapuka Stream prior to the race being closed.

**Photo Diary (February 2025):** ongoing willow removal and establishing native riparian planting along Raukapuka Stream (where on our property)
