DOG FOULING AND DOGS WANDERING

These two issues arise every year and cause significant complaints to the Council's elected members and staff. It can also cause unnecessary tension between dog owners and non-dog owners.

When out walking or exercising your dog please remember to take a bag with you and to pick up any mess that your dog makes. This is a legal requirement (with infringements able to be issued) and is also a common courtesy so that other members of the community do not have to deal with it in any way.

Being a responsible dog owner means you need to ensure your dog does not wander off your property as a roaming dog can frighten members of the public especially small children or the elderly. Become a "selected owner". Information on how to achieve this is available on our website.

Enjoy being a dog owner and the friendship and joy that it brings you but keep in mind that many people in our community are not dog owners and their rights and views need to be considered as well.

K9 Newsletter

Welcome to the 2013 K9 newsletter for dog owners or potential owners in the Timaru District. This edition will focus on educating dog owners on the new Control of Dogs Bylaw 2013.

Don't forget to register me!

Please read this brochure carefully so you understand the changes. Animal Control Officers have been lenient in enforcing the new Bylaw until now so that people have time to familiarize themselves with the changes. Once this newsletter is sent however, officers will be ensuring that dog owners do comply with the new Bylaw.

Dog owners will be pleased to note that dog registration fees have not increased for 2013. However, there are two changes to the fees:

- Guide Dogs/Hearing Dogs - \$5 fee has been scrapped. No Fee applies.
- Dog owners with new puppies - \$30 fee applies for puppies 3–12 months. Full fee applies after 12 months.

Please find below a schedule of the 2013 dog fees:

Rural Pet Dog	30
Working Dog	30
Selected Owner	30
Guide Dogs/Hearing Dogs	0
