

Attachment to Form 3 for New Premises

Please complete the following forms and include with your application

1. CPTED Checklist for On-Licensed Premises

CPTED is Crime Prevention Through Environmental Design. This checklist is a tool to help you with the safe management of your premises. It may be used in discussion with a licensing inspector. A "Licensed Premises CPTED Guide" can also be found on the Health Promotion Agency website (www.alcohol.org.nz/research-resources/latest-resources).

 Bar staff have good visibility of entire premises Area behind the bar is raised to improve visibility Bar area is open with no obstructions affecting monitoring of premises Cash registers are front facing If cash registers are not front facing, mirrors are installed for monitoring customers Safe is out of public view Premises is laid out so staff can monitor patrons at all times Premises is laid out so staff can monitor patrons at all times Where there may be blind spots, mirrors or CCTV are installed Bar is easily approached by customers Customers can easily move around the premises Sufficient seating is provided Customers cannot climb on structures or fittings The premises are not overcrowded The premises are not overcrowded The maximum number of patrons for the premises is displayed and complied with Lighting Internal lighting is suitable Lighting allows door staff to check IDs etc Lighting allows staff to monitor patrons inside the premises Yes No N/A 	Bar Area

2. Amenity and Good Order Questionnaire

The reporting agencies must consider the effects the issue of the licence will have on amenity and good order – please answer the following:

The reporting agencies must consider the effects the issue of the licence will have on amenity and good order – please answer the following (for all licences):
Advise proximity to all childcare centres, schools and churches within 500 metres – a site plan would assist:
How many residential neighbours would you have within 50 metres?
Security – what security systems do you have and state location (outdoor lighting, indoor/outdoor CCTV, other?)
Internal layout – can the entire premises be seen by the cashier? Is there good visibility in the cool store areas (off-licence)? Where there are blind spots, are mirrors or CCTV installed? Is the internal lighting inside the premises suitable?
Windows – is there good visibility into and from the premises and the street?
Lighting – does the lighting outside the premises discourage loitering? Does the lighting allow staff to check IDs etc?

Security – will you employ security staff and when will they be used?
Security staff – how many security staff hold a Certificate of Approval and formal registration or qualification? If so what?
Additional information required for on-licence / club licence:
Noise
Explain clearly all types (amplified music or large crowd noise related) of entertainment you will be providing and when
Noise management – do you have a noise management plan or acoustic report?
Soundproofing – what soundproofing has been undertaken?
Contains and Staff Turining
Systems and Staff Training
Are you involved in any mystery shopper/pseudo CPO programmes?
What till prompt systems do you have regarding age checks?

What staff training is provided with regard to Sale of Alcohol comp explain content, duration and how often this training is provided (pyou supply to staff regarding staff training).		
Marketing and Promotions		
What percentage of the front windows will be clear and transparer	t?	
What is the target market for the business		
What is your policy regarding pricing and promotions		
Will there be single sales (off licence only)?		
Is this your first licensed premises?	Yes	No
The granting of this application will contribute to the Object of th	e Act by:	
Steps taken to ensure the sale, supply and consumption of alcohol	will be undertaken safe	ely and responsibly
The reduction of harm caused by the excessive or inappropriate co	nsumption of alcohol b	y:
