

## TOWN CENTRE ZONE

### Introduction

The Town Centre Zone is applied to the commercial centres of Geraldine, Pleasant Point and Temuka. These centres are a focal point for these townships, and comprise a diverse range of commercial activities and community activities that support residents and wider rural catchments. The Town Centre Zone also makes provision for visitor and tourist activities and facilities.

Within Temuka, the Town Centre Zone also contains a range of scheduled historic heritage items identified in the Historical Heritage Cchapter, which gives this Zone a distinctive identity and sense of place that reflects late 19<sup>th</sup> century and early 20<sup>th</sup> century typologies and embodies the formative history of a South Canterbury town. The provisions within this chapter seek to manage development within this area to ensure it is sympathetic to the character of the area, while also ensuring that development provides a high-quality streetscape that is pedestrian-focused and attractive to visitors, workers and residents.

### Objectives

The Town Centre Zone is a focal point for the local community, and provides for a diverse range of activities that support the residents of the township and surrounding rural areas <u>and passers-by</u> <sup>1</sup> .	
TCZ-O2	Character and qualities of the Town Centre Zone
<p>The Town Centre Zone:</p> <ol style="list-style-type: none"> <li>1. provides a pleasant, pedestrian-focused environment that visually integrates with public spaces; and</li> <li>2. is of a scale that is commensurate with the population that it serves; and</li> <li>3. contains buildings of a moderate scale and density, with associated car parking and storage areas that do not detract from pedestrian-focused street environments; and</li> <li>4. contains activities or buildings that are compatible with the use and amenity values of adjoining <u>R</u>esidential <u>Z</u>ones and <u>O</u>pen <u>S</u>pace and <u>R</u>ecreation <u>Z</u>ones; and</li> <li>5. <u>are is</u> of a size and scale that <u>does</u> not undermine the purpose, function and amenity values of the City Centre Zone.<sup>2</sup></li> </ol>	
TCZ-O3	Main street character and streetscape
The Geraldine and Temuka main street areas maintain their pedestrian-orientated nature and attractive streetscape, and in Temuka, contain built form that contributes to a high-quality streetscape that maintains the character associated with scheduled <u>historic</u> heritage items.

    - ii. retain privacy; and
    - iii. are not unreasonably dominated by built form; and
  - b. buildings to be setback from the boundaries of sites within ~~R~~esidential ~~Z~~ones and ~~O~~pen ~~S~~pace and ~~R~~ecreation ~~Z~~ones, to:
    - i. minimise any dominance effects arising from the location and bulk of buildings; and
    - ii. minimise any adverse privacy effects on adjacent sites; and

<sup>3</sup> Clause 10(2)(b) relating to Kāinga Ora [229.150, 229.151]

<sup>4</sup> Z Energy [116.23]

2. it can be demonstrated that the effects of the activity are of a degree that is comparable with those of a permitted activity; and
3. the intensity and scale of the activity does not compromise activities that are enabled within the Zone.

## Rules

**Note:** For certain activities, consent may be required by rules in more than one chapter in the *District Plan*. Unless expressly stated otherwise by a rule, consent is required under each of those rules. The steps plan users should take to determine what rules apply to any activity, and the status of that activity, are provided in Part 1, HPW — How the Plan Works - General Approach.
