Timaru District Licensing Committee

Annual Report to the Alcohol Regulatory and Licensing Authority For the year 2024 - 2025

Date: August 2025

Prepared by: Debbie Fortuin

Environmental Compliance Manager

Timaru District Council

Introduction

The purpose of this report is to inform the Alcohol Regulatory and Licensing Authority (the Authority) of the general activity and operation of the Timaru District Licensing Committee (DLC) for the year 2024-2025.

There are three DLC's operating in the South Canterbury area under a single Commissioner, this model having been adopted during the implementation of the Sale and Supply of Alcohol Act 2012 (the Act) in December of 2013. The three DLC's are that of the Timaru, Waimate and Mackenzie Districts.

This report relates to the activities of all the DLC's in the body of the text and to the Timaru DLC alone in the Annual Return portion of the report at the rear of this document. This satisfies the requirements of the territorial authority set out in section 199 of the Act.

Overview of DLC Workload

DLC Structure and Personnel

The table below shows the current membership of the three DLC's under the Commissioner. No changes occurred during the reporting period.

	Name	Role
Commissioner (Independent of Council Role)	Sharyn Cain	Deputy Mayor - Waimate District Council
Timaru DLC Members	Peter Burt	Deputy Chair, Councillor - Timaru District Council
	Owen Jackson	Councillor – Timaru District Council
	Gavin Oliver	Councillor - Timaru District Council
Mackenzie DLC Members	Scott Aronsen	Councillor – Mackenzie District Council
	Anne Munro	Councillor – Mackenzie District Council
	Murray Cox	Councillor – Mackenzie District Council
Waimate DLC Members	Craig Rowley	Mayor - Waimate District Council
	Sandy McAlwee	Councillor – Waimate District Council
	Lisa Small	Councillor – Waimate District Council

Total costs for Timaru District Council Liquor licensing activities for the period is calculated at \$240,000.00. This was made up of elected members allowances (DLC), travel costs, staff costs, administration costs, solicitors fees, unit overheads, an additional 0.5FTE liquor licensing relating to the entire liquor licensing activity.

In terms of Council staff delivering licensing services to the community and the DLC, there are 2 FTE licensing inspectors, a 0.5FTE licensing administrator and the secretary to the three DLC's, who also manages the activity, for the 3 councils.

1 hearing was held during this period.

Since the inception of the public consultation amendments bill, we have experienced an influx of objections numbering in the hundreds where premises licences were being advertised, which has placed a significant additional burden on administration for hearings.

Monitoring Visits

Monitoring visits of licenced premises throughout the 2024-2025 year largely indicated good compliance with a total of 48 premises were visited during this period, comprising 37% of total licensed premises. While our monitoring targets had not been reached, staff have made a huge effort to achieve these numbers, given setbacks we have had due to a resignation and higher than usual levels of sick leave.

Local Alcohol Policy

The Timaru, Mackenzie and Waimate District Councils jointly prepared and developed a Local Alcohol Policy, which originally came in to force on 24 March 2016.

The Joint LAP was reviewed and adopted on 13 February 2024.

A copy of the joint LAP can be found at the following link:
